DIWALI BREAK HOLIDAYS HOMEWORK

2025-2026

DIWALI BREAK SESSION: 2025-2026 DEAR PARENTS,

The Diwali break is a wonderful time for children to celebrate the Festival of Lights with their families, explore their cultural heritage, and relax before the final part of the academic year. We've designed the holiday work to be simple, enjoyable, and a valuable opportunity for family bonding.

Here are a few tips for parents to act as a facilitator to help your child enjoy this festive break while maintaining a balance between celebration and learning.

- Make sure you are spending quality time with your wards as a family to share the joy of the festival.
- Share stories about the significance of Diwali and its moral values, like the triumph of good over evil.
- Motivate them to read good books when they have quiet time amidst the festivities.
- Encourage and help your child in shouldering responsibilities in household chores related to the festival preparations (like simple cleaning, decorating, or helping with sweets). This will aid them to be independent.
- Keeping in view the festive mood, indulge yourself in various traditional games or new indoor games with them.
- Encourage the child to wish everyone a 'Happy Diwali' and talk respectfully with all family members and elders.
- Motivate the child to use polite words such as 'Please', 'Thank You', 'Sorry', 'May I' in all their interactions.
- Revise the work done in the classes to keep them in touch with their academics.

Please note: Use resources (rough notebook) only which are available at home to complete all holiday work including project work. Prepare a systematic timetable and follow it religiously from the very first day. Allow them to complete homework on their own under your guidance.

Make these holidays memorable for the young learners by providing a nurtured and stimulated environment at home which is full of celebration, learning, and family warmth. Wish you all a very safe, prosperous, and joyous Diwali!
